

Ford Pinto Sport Camshafts By Cat Cams

Brand: Cat Cams
Product Code: CAT22803XX
Availability: 7 Days
Weight: 2.00kg
Dimensions: 50.00cm x 10.00cm x
10.00cm

Price: \$675.00

Short Description

Brand new cam profile range for the popular Ford SOHC Pinto engines 2.0-litre (and beyond!)

Very latest 'Flat' nosed cam profile designs that maximises valve lift to improve torque spread and top end power

Pictured with optional cam followers, retainers and valve springs.

Description

All Cat Cams profiles are CNC ground from new hollow steel blanks. Cam followers are produced to super accurate design to ensure correct geometry at valve stem Unique Balinit C® coating on cam followers eliminates Pinto cam wear problem by greatly reducing mechanical friction in key areas.

Also available

- New Balinit C® coated cam followers (Recommended)
- Valve Springs
- Retainers
- Adjustable Cam Pulleys

Cam Notes

CAT2280300/0301

Good all round performance road cam. Will work with stock valve springs although we recommend changing the followers (CAT004/C) when changing Pinto cams.
